

## **NEW WATER BILLING DATE**

The City of Brazos Country is changing the dates the water meters will be read each month and this will automatically change the dates of the billing. You should receive your bill at the end of the month. The new due date will be the 15<sup>th</sup> of the following month. This first end-of-month billing will reflect more days of usage and thus be somewhat higher, although most will probably not notice a remarkable difference.

Thank you for your timely payments to 329 Pecan Grove Road.
