

Boil Water Notice Rescinded
19th August, 2020

On 18th August, 2020, the Texas Commission on Environmental Quality required the City of Brazos Country public water system, 0080025 to issue a Boil Water Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes.

The public water system has taken the necessary corrective actions to restore the quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicate that the water no longer requires boiling prior to use as of 19th August, 2020.

If you have questions concerning this matter, you may contact Mary Lou Craig, City Secretary at 979-627-1037, 329 Pecan Grove Rd, Sealy, TX 77474 or at www.citybrazoscountry.org
