Subject: San Felipe VFD Recruitment Drive

Good evening Council,

This afternoon I talked with Ray Chislett, ESD 4 Commissioner, about problems facing the San Felipe VFD. He wanted to have Chief Silver bring one of their fire trucks to the entrance of our City on Brazos Hill Lane.

The Fire Department will be there this Saturday, June 11th from 08:30 am to Noon. They will answer questions about becoming a volunteer and try to encourage residents to get involved in the San Felipe VFD. They will also accept any donations to help fund the department. The huge increases in fuel prices is taking a toll on the departments funds and anything our City can do will be greatly appreciated.

I granted Commissioner Chislett the right to have the San Felipe VFD visit our City this coming Saturday.

Mary Lou, would you have Gary post this to our website and advise Brian Oliver and Beverly Victory.
